(4) Sum of columns 1, 2, and 3

(5) Source: Based upon Private School Enrollment Survey

(6) Source: Based upon Home School Enrollment Survey

(7) Source: SC Department of Education

(8) This column should not be used as an independent category. While it includes such classifications as immigration and hospitalization, it simply represents the difference between the total school age population as estimated by the U.S. Census Bureau and the estimates provided in columns 1 through 7.
